   President- Toronto University,
     Toronto, Canada

My dear Sir:

     The Corda Fratres Association of Cosmopolitan
Clubs, being supported by the University of California
and the Panama-Pacific International Exposition, has de-
cided to hold a reunion of the students of the world in
San Francisco in July, 1915, and the committee in charge
has been empowered to appoint an honorary committee of
men of prominence who believe in international peace and
good will and who are sympathetic with the aims of the
Cosmopolitan Clubs of Students.

     The object of this Committee is to encourage
international good feeling among students by guaranteeing
to this movement the moral support of men like yourself.
Therefore, we ask your name for our honorary committee
and your personal influence in our favor.

     A prompt reply will be much appreciated because
our first circular is now in preparation.

     Sincerely yours,

     THE COMMITTEE ON ARRANGEMENTS

Mr. Taraknath Das,

        Berkeley, California.

Dear Sir:

        I am afraid that I am not sufficiently well
acquainted with the work of the International Students'
Reunion to be able to join an honorary committee that
might be expected to act as advisers in connection with
the Panama-Pacific International Exposition.

                    Yours sincerely,

                    President.
